

Man Bites Shark!

THE OFFICIAL
KISSEEA
WORKBOOK

Episode 2
High School

1

Now, let's see how well you paid attention! Answer these questions from Episode Two, "Man Bites Shark!"

Again, watch out for KISSEA Crew hints!!

1. What kind of shark used to frequently be seen in schools of 30 to 50 in the Sea of Cortez? Circle the correct answer.

Great White

Hammerhead

Milkshake Shark

2. True or False:

Sharks are mindless killing machines who do nothing but attack people and eat them. Circle the correct answer.

TRUE or FALSE

3. What are the sharks in the Sea of Cortez being massacred for?

Fish sticks

Shark fin soup

**Cafeteria Mystery
Meat**

4. Shark fin soup is served at all of the following hotels. Email each hotel chain and ask them to stop this murderous practice.

Westin

Hyatt

Sheraton

Marriot

5. Emails from people around the world made Disney change their minds about serving shark fin soup. Email the CEO of Disney to thank him and copy us on your email and then send us a copy of his response.

5. Shark populations take a long time to recover from the effects of overfishing. They grow very slowly and take a long time to grow old enough to have babies. How old do some species have to be to become parents? Circle the correct answer.

1
year

5
years

10
years

20
years

6. Predators help keep an ecosystem in balance. In the Sea of Cortez, the squid population is exploding. Why? Circle the correct answers.

Squids thrive in shark-less waters.

Humans kill sharks.
Sharks eat squids.

Squids have discovered internet dating.

7. We used Google to find hotels and restaurants still serving shark fin soup. Now it's YOUR turn to Google and to discover where else this murderous soup is being served. Find SIX new places and email the site addresses to us at addie@kissea.com. We will post these new addresses on the kissea.com website and will encourage everyone to email them as well!
